8:15 – 8:30	Greeting Time – Students and staff share important information for the day, sing good morning songs, go over message board, calendar, and weather.	Language Arts Mathematics Social studies Science
8:30 – 9:00	Story Time – Students will be introduced to reading skills, such as where to start in a book, identifying the author and illustrator, and they are encouraged to make predictions about story outcomes and answer age-appropriate questions about the story. Yoga, Music and Movement – Combined with greeting time. Students will concentrate on music and movement. Students will sing songs, do finger plays, dance or play musical instruments.	Language Arts Music and Movement Gross Motor Activity
9:00 – 9:30	Small Group Time – Students will work in small groups, led by the classroom teacher, with individualized materials that are planned and introduced. This small group time will allow the children to participate in teacher planned activities that touch on a variety of learning experiences that address the PA Early Learning Standards.	Fine Motor Skills Language Arts Mathematics Health/Safety
9:30 – 9:50	Hand washing, Snack Time – Students and teachers consume nutritious food and share interesting conversations together. Staff members reinforce appropriate manners and life skill activities.	Nutrition and Health
9:50 – 9:55	Plan Time – Students will decide which centers to work with during work time. Staff will listen to each student’s plans and try to help them extend their plans. Students will be encouraged to vary the centers that they work with to ensure that all content areas are addressed.	Language Arts Approaches to learning through play
9:55 – 10:45	Work Time – Students will work with the various materials in any of the interest areas/centers. The interest areas that are available: dramatic play; blocks; toys and games; library; science; art; individual sensory bins; literacy/writing and pre-writing; puzzles, and math manipulatives. The staff observes students and looks for opportunities to enter into their activities and encourage their activities; extend their play; and help them with problem-solving situations. Work time may be spent outside weather permitting.	Approaches to learning through play Free Play Language Arts Mathematics Science Social Studies Fine Motor Skill Arts
10:45 – 10:50	Clean up and Recall – Staff and students will come together and return materials and equipment. Then students will reflect on, talk about and show what they have done at work time through small group conversation.	Language Arts Approaches to learning through play
10:50 – 11:00	Dismissal
