Child Passenger Safety Week

September 23-29, 2018

Car crashes are a leading cause of death for children. Many times, deaths and injuries can be prevented by proper use of car seats, boosters and seat belts.

As the lead agency for the McKean County Partnership with Safe Kids PA, we work with a Certified Car Seat Technician, who can help answer your questions regarding your child's car seat.

For more information or to schedule a fitting, call CARE at 814-362-4621.

Watch for more information on a Car Seat Check at the Ashley Booth Griffin CARE for Children Center in September!

PARENT REMINDER:

CARE will be unable to start Physical Therapy and/or Occupational Therapy services for the 2018-2019 school year if your child does not have a current prescription on file at school. For more information, please call our office at 814-362-4621.
